

Decoration Plans For Area Made By Chamber Officials

Banners, Flags Will Fly As Chamber Starts On Finance Drive

The Truckee Donner area will be well decorated for the influx of visitors during next month if present plans by the chamber of commerce are carried out.

N. F. Dolley, chamber president and Reg Smart, a director and both members of the civic reception committee for the Olympics, plan to solicit the community for funds to purchase banners to be placed in Truckee, Gateway and the Donner areas.

Two 3x65 foot banners will be strung across the street, one here and the other at the west end of Donner. The ten electrolites along the main street and those in the outlying community will be adorned with flags and each individual merchant in the area is being asked to purchase flags and decorations for their store front.

Three flags—the American flag, the state flag and the Olympic flag—will be hoisted to the top of the tall flagpole near the depot and will be attended by the Boy Scouts, Dolley said.

Residents of the Donner Lake area have contributed to the fund and this week other business people in the area will be asked to contribute, Dolley declared.

Registration Here Shows Small Drop

According to official annual registration figures released by Nevada County Clerk and Auditor John T. Trauner this month two definite changes are apparent for 1960.

Republican registrants decidedly narrowed the gap on the Democrats and the total registration took a slight drop due to "purges" of transient-type workers in the Truckee district.

The registration breakdown is due in Sacramento before Jan. 21 of each year and this year was completed on Jan. 5. No doubt the central committees of both major parties will increase their efforts to register voters before June 7 primary. Deadline for registration, eligible for the presidential primary, is April 14.

Official registration as of Jan. 5, 1960:

Democrats	5,000
Republicans	4,344
Prohibition	1
Others	35
Decline	134
Total	9564

PROPERTY OWNERS HAVE HOME RENTALS

The Squaw Valley Property Owners Association announced their concern over published reports that there are no homes for rent in Squaw Valley at reasonable rates during the month of February and the period of the Olympic Winter Games.

There are in fact, according to H. A. Magnuson, president of the association, 44 homes available, 95 per cent of which are well within the established rate of \$15 per day per person (minimum 5 persons per bath) as established by the Olympic housing director and the Tahoe Sierra Board of Realtors on September 22, 1959.

This rate, Magnuson said, was not established by the Squaw Valley property owners. There are a number of firms within the area with whom homes are listed and inquiries may be directed to them.

RENO DESIGNATED AS OFFICIAL ENTRY PORT

Reno was declared an official port of entry last week—all for the benefit of foreign athletes bound for the Winter Olympics.

Customs Commissioner Ralph Kelly said the new arrangement would allow athletes to bypass the Port of San Francisco and undergo customs, health and immigration inspection nearer the site of the Squaw Valley games. The arrangement will be only for the duration of the games, the commissioner added.

Kelly made the announcement while on a routine inspection of customs facilities here.

VETS' OFFICER WILL BE HERE ON FRIDAY

The Nevada County veterans service officer will be in Truckee, weather permitting on Friday, January 22, between the hours of 10 a. m. and 3 p. m.

Anyone desiring to avail themselves of these services may do so at the office of Judge Posten W. Wilson, justice court, during the hours indicated.

SEE GAME

KINGS BEACH—Mr. and Mrs. Otis Wing and son, Gary went to Reno Monday night to see the Harlem Globetrotters defeat the Baltimore Rockets 80 to 58 in an amusing basketball contest.

Bureau Auto Camp At Boca Opposed By Local Chamber

Henry Halliday, administrative officer and Vernon Hansen, project engineer with Region No. 1 of the bureau of reclamation met with officials of the Truckee Donner Chamber of Commerce Monday relative to a protest from the chamber on the building of a trailer court at Boca to house reclamation engineers.

The bureau was asked to consider using trailer courts in the Truckee-Donner area, now available, rather than going to the expense of establishing similar facilities for the duration of the Prosser Creek Dam project at Boca.

Halliday and Hansen said after the conference they would make a complete report of available facilities and advise the chamber of the definite action within a few days.

The protest from the chamber pointed out the availability of immediate facilities and other advantages of having the crews and their families more centrally located.

In event the bureau decides against building the trailer park, it is likely that bids will be asked from the local trailer court operators to furnish spaces and facilities for the dozen or so trailers expected to be used during the summer months when construction work is being done at Prosser Creek Dam.

Copies of the protest from the chamber were sent to Congressman Harold T. Johnson who said he would look into the matter and see whether or not the establishment of a new camp was a necessary expenditure in view of existing available courts.

New Restaurant Is Near Complete

Another new local establishment—the Bird & Bottle—an attractive 40x85 foot chuck wagon type restaurant and cocktail lounge is nearing completion at Deerfield Village just east of Donner State Park.

The owner, G. E. Lewis, developer of that area, was unable to give a definite date for the opening but said he had a number of applicants who wished to lease the establishment.

The place is completely furnished in latest design, with a dining seating capacity of 57 and a cozy cocktail lounge which features a massive native stone fireplace. A leather-trimmed diamond shaped bar occupies the center of this room.

A pedestrian causeway runs the full length of the front providing a walkway from the large parking area on all sides of the building. The kitchen is modern with gas ranges and an electric broiler and all appointments throughout are new.

The building was designed by Lewis and built by Wilson and Willkind. The interior is in redwood with a novel scheme of lattice work in the entrances.

There are three service stations nearby with still another to be added this spring, Lewis announced.

Cost of the Bird & Bottle was approximately \$100,000, Lewis said, this includes the structure and furnishings as well as the beverage license.

MAN SENTENCED AS WINDOW IS BROKEN

Following a brawl in the Pastime Club, James Weber, 35, was ordered to leave town and given a 60-day suspended jail sentence and James E. Therian was ordered to serve 10 days or make restitution for a broken door glass, when they appeared before Judge F. W. Wilson Monday. The two were arrested by Deputy Leo Zander who was attracted to the club when he heard the breaking glass.

IRISH SWEEPSTAKES WINNER GETS \$56

Little four-year-old Kelly Eileen McQuary, daughter of Mr. and Mrs. Roy E. McQuary, Jr., of Meadow Park is believed to be the first winner of a prize in the Irish Sweepstakes in Truckee.

The McQuarys were notified that their daughter won a 20-pound consolation prize in the October race at Cambridge. This amounts to about \$56 and was paid with a bank draft from Dublin, Ireland.

Highway Patrol Is Setup For Travel To Squaw Games

154 Uniformed Officers To Direct Traffic During Olympics

One of the major tasks in connection with the staging of the 1960 Olympic Winter Games at Squaw Valley will be the handling of traffic which under normal conditions is no cinch during February.

This monumental chore will be laid in the lap of the California Highway Patrol and Bradford M. Crittenden, commissioner of that organization, has offered assurances that nothing will be left undone to provide for the convenience and comfort of the traveler.

"Barring the most extreme weather conditions, we are confident we can do the job of regulating the flow of traffic to and from the valley," Crittenden declared.

Captain Richard B. Langner, Auburn, commander of the Placer and Sergeant Frank Snyder, commanding the Truckee substation for the CHP, said 154 uniformed patrolmen will represent California and that all of Nevada's 34 patrolmen will be on the highways adjacent to the games to assist traffic.

The CHP has leased the Tahoe Truckee High School gymnasium and cafeteria for an operational base.

The patrol's academy at Sacramento will be closed down so that Captain Leonard Overhouse, commanding officer, can bring his staff, including manager, chef, cooks and kitchen helpers and clerks, to Truckee to man the base here.

The patrolmen will be well equipped with snowshoes, parkas, Arctic overboots, 252 gallons of antifreeze and other cold weather needs.

All officers will be schooled in advance so that questions by motorists regarding conditions before them can be really answered. A complete communications system, between the patrolmen and the central office will be set up and manned constantly.

Two mobile information centers will be established on Highway 89 and Squaw Valley road and the other in the CHP headquarters at Truckee.

HIGH SCHOOL SKIERS AT MAMMOTH MEET

The Tahoe Truckee ski team left the high school Friday after school for Mammoth Mountain to compete in an Interscholastic Ski Federation slalom and giant slalom meet.

The members of the traveling teams were: Sandy Fellows, Pattie Lewis, Valerie Mandeville and Captain Sherry Thatcher. Bill Connors, Bob Forster, Trent Giani, Jimmie Heuga, Wayne Poulson, Nick Stone and Captain Doug Ball. The chaperones were Mrs. Judy Thatcher and Coach Gene Goodrich.

The team spent the night at Mammoth, and raced against teams from El Dorado, South Tahoe, Leavening and Manogue on Saturday.

After several false starts, disqualifications, and skis coming off, the times and points were calculated to find the Tahoe Truckee boys in second place behind Leavening High School, and the THT girls in third place behind first place Leavening and second place South Tahoe High School.

The team had a great time on their annual trip, and hopes to better their score at the next meet, which will be held closer to their home ground.

LIBRARY WILL CLOSE DURING FEBRUARY

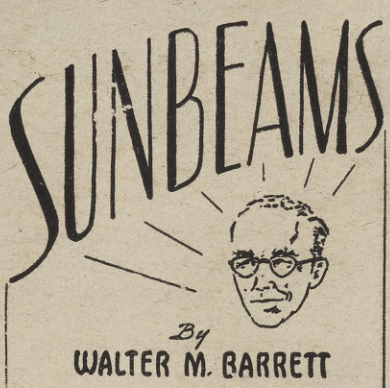

The Tahoe-Truckee Community Center Library, in the high school, will be closed during the month of February.

The California State Highway Patrol has leased the high school and all facilities for the month. The library will be used as a reading lounge by them.

March 1 normal operations will be resumed and the library will be open as usual.

In Hospital—Mrs. Elden Tonini is reported improved following an operation at Tahoe Forest Hospital last week.

Mrs. Tony Pace has also returned home after a brief stay in the local hospital.

The California Highway Patrol has issued a timely warning relative to the use of sleds and skis on streets and roads in the area where, during the past three weeks, three children have been injured. Officers ask that parents protect their children by insisting they confine their sledding activities to untraveled areas. Ice roads do make ideal sledding but the snow banks along side prevent drivers from seeing the children and accidents are unavoidable. It seems a shame to deprive the youngsters of the fun they enjoy without thought of the danger they incur, but tragedy can be averted through parental discipline.

How thinking people can contend that money was wasted to make Squaw Valley unquestionably one of the world's finest recreation areas, suitable for both winter and summer usage, is beyond us. The advertising alone which has come from the preparations for the games has, in our opinion, offset the cost. It is true, the money was not spent in southern California from where most of the objections have arisen, but this is still a part of the state we believe entitled to some of the benefits. As time goes on Squaw Valley can continue to develop for both winter and summer use and revenues to the state from sales tax received from the sale of things necessary to visit the snow country will go a long way in paying off the costs. A lot depends upon how the magnificent resort area is operated but we know it has done more for winter sports in California than anything possible and we don't think money has been wasted.

JUNIOR-SENIOR PROM TO BE NEAR SPARKS

Because the recreation center at Squaw Valley will be under the jurisdiction of the department of beaches and parks following the Olympic Winter Games, it is not possible to secure that building for the annual high school junior prom.

As a result, the class is being permitted by the school board to proceed with arrangements to hold the junior-senior prom at the Hidden Valley Country Club near Sparks.

It had been hoped by the board to have the affair in the area and suggested that arrangements be made to obtain the recreation hall, but since that building will be unavailable, the Nevada club was permitted.

In other action the board employed Mrs. Mae Russo as part-time cafeteria helper at the Kings Beach school and accepted the resignation of Mrs. Carmel Throop as cook there.

The board voted to lease the high school athletic field to John Lloyd and Jack Ellis as a parking lot during the Olympic games.

BISHOP'S BOYS CHOIR TO SING AT VALLEY

Sacramento Bishop's Boys Choir will sing during dedication of a chapel at Squaw Valley February 18, the opening day of the Winter Olympic Games. The chapel will be called Queen of the Snows.

All fourth degree Knights of Columbus assemblies in northern California, including the Bishop Manogue assembly of Sacramento, will attend in full regalia to serve as color guard and honor guard. The bishop's choir will receive support from KC councils in the Greater Sacramento area, including in Roseville and Woodland.

EMBLEM CLUB CARD PARTY JANUARY 28

KINGS BEACH—A card party will be sponsored by members of the Emblem Club No. 347 at Bacchi's Inn, Lake Forest, January 28.

Dessert at 1:30 will precede the playing made up of tables of players choice.

For reservations Mrs. Allan Calhoun may be called at Juniper 3-3567.

Hostesses of the affair will be Mesdames Ray Grahm, William Hunter, Robert Sumners.

Traffic Gains Over Last Year, Record At Station Shows

Truckee Station In Fourth Place In State As Entry Port

Although travel into California over Highway 40 showed a sharp decline for December as compared to November it was still more than 8,000 above December, 1958 and was in fourth place as a port of entry into the state.

According to the monthly report issued by the department of agriculture 38,300 cars, 3,619 trucks and 788 buses were checked at the local quarantine station during last month.

This compares to 60,413 cars, 3,982 trucks and 777 buses checked during November and with 30,010 cars, 3,430 trucks and 662 buses checked during December in 1958. Stations reporting more vehicles than Truckee were Blythe, Winterhaven and Yermo.

Meyers station on Highway 50 last month checked 7,351 cars, 290 trucks and 33 buses. This compared to 6,836 cars, 524 trucks and 31 buses during the same month last year.

SACRAMENTO—(CNS)—December traffic passing California's border checking stations showed a slight increase over that of the previous year, the department of agriculture reported.

During the month, 949,376 persons, traveling in 169,996 California registered automobiles, 167,073 out-of-state vehicles, and 4,279 buses, passed the agricultural checking stations. This compared, in December, 1958, with 937,678 persons in 163,277 California cars, 161,625 out-of-state vehicles, and 3,918 buses.

The quarantine station at Winterhaven was the busiest, followed by Yermo, Blythe and Truckee.

LARGEST NEON SIGN NOW RESTS ON TOP OF SMARTS AT WYE

Unquestionably, the largest neon sign in the Truckee area now adorns the rooftop of Smart's.

Atop a V-shaped 10-foot high by 60-foot long sign, the neons, proclaiming "Smart's" are 7x4 foot letters and stand 37 feet above the ground, easily read for miles from the new freeway. While the work of installing is not complete the signs will certainly provide lights far and wide.

LANCE POULSEN IS WINNER AT SQUAW

SQUAW VILLAGE—Lance Poulsen of Squaw Valley sailed to victory Sunday when seven local ski jumpers performed at Halstad Hill, the 22 meter slide which faces toward the huge Olympic trajectory on the opposite side of Squaw Valley.

He combined good form with leaps of 50 feet and 42 feet to score his winning 125.7 points.

Second place went to Jim Bechtold, followed by Calvin Bechtold, Bill Bates, Chris Burner, Dick Nielsen and Scotty Broomhall.

The tournament was carried out under the supervision of Birger Torrisen, Halvar Halstad, Chummi Broomhall, Tolf Halle, Bill Bechtold and Jerry Wetzel, all members of the Nordi technical staff for the winter Olympics, and Mrs. Sandy Poulsen of Squaw Valley.

MONEY REQUESTED FOR TRUCKEE WORK

WASHINGTON—The Administration Monday asked Congress to appropriate \$154,000 for work on the Truckee River Army Engineer Project in Nevada and California during fiscal 1961.

The budget also requested \$2,857,000 for the Boulder Canyon Reclamation Project in Nevada and Arizona, and \$3,137,000 for Prosser Creek Dam and Reservoir of the Nevada-California Washoe Reclamation Project.

At Treasure Island—Mr. and Mrs. Willard Painter and their baby are living in the Bay district as he is stationed at Treasure Island with the U. S. Navy.

Willard is the son of Mr. and Mrs. Carl Painter of Gateway Park.

Lodges Here Hold Installation During Busy Ceremonies

By VIRGINIA O'BEAR

On January 13 at the Independent Order of Odd Fellows Hall, a group of one hundred members and friends gathered for the formal joint installation of officers for the coming year. A chartered bus brought Rebekahs and Odd Fellows from Grass Valley and Nevada City, including the District Deputy, Thelma Dundas with her District Deputy Marshal, Hilda Bronson and staff. Also on hand to install the Odd Fellows was District Deputy Master Amil Stroud of District 4 and his installing team.

The new officers for Naomi Rebekah Lodge No. 2 are: Past Noble Grand, Dorothy Slack; Noble Grand, Janet Franklin; Vice Noble Grand, Goodi Mori; Warden, Ruth Gross; Conductor, Maggie Avila; Recording Secretary, Lenore Vind; Financial Secretary, Laura Horman; Treasurer, Dorothy Stice; Chaplain, Bess Reid; Color bearer, Fredna Smith; Right Supporter of Noble Grand, Georganna King; Left Supporter of Noble Grand, Paula Quist; Right Supporter of Vice Grand, Pearl Heller; Left Supporter of Vice Grand, Callie Kydd; Inside Guardian, Julia Davis; Outside Guardian, Elenore Capel; Musician, Winifred Edmunds.

The new officers for Donner (Continued on Page 8)

Route Of Olympic Flame Announced

SQUAW VALLEY—Plans have been completed for bringing the Olympic flame from Greece to Los Angeles, thence by foot to Squaw Valley, it was revealed today by Film Producer Walt Disney, director of pageantry for the VIII Olympic Winter Games scheduled here Feb. 18-28.

The torch is scheduled to arrive in Los Angeles Feb. 1 after a flight in a jet aircraft from Greece. A helicopter will then transport the flame from Los Angeles International Airport to the Los Angeles Memorial Coliseum, site of the 1932 Olympic Games. From there it will be run to Squaw Valley.

The schedule:
Feb. 1—Los Angeles, Glendale, Burbank and San Fernando.
Feb. 2—Gorman.
Feb. 3—Bakersfield.
Feb. 4—Tulare.
Feb. 5—Fresno.
Feb. 6—Merced.
Feb. 7—Modesto.

Feb. 8—By yacht from Stockton up the San Joaquin channel to San Francisco down Market Street for a night ceremony at the office of San Francisco Mayor Christopher.

Feb. 9—By yacht to Oakland, then to Stockton.

Feb. 10—Sacramento.

Feb. 11—Auburn, Baxter.

Feb. 12—Baxter to Emigrant Gap, thence skied to Squaw Valley where it will be taken up Little Papoose Peak to await the opening ceremony Feb. 18.

IDEAL SKIING READY FOR COLLEGE MEET

NORDEN—With 70 inches of snow on Mt. Lincoln and 60 inches at lodge level, conditions at the Sugar Bowl should be excellent for the Northern California Intercollegiate four-way meet scheduled for this weekend.

Thus far schools entered in the meet are California, Nevada, Stanford, Chico State, Sierra, USC and San Jose. The downhill and cross country meets will be held Saturday and the slalom and jumping on Sunday.

The Australian Olympic ski team which has been training at Sugar Bowl leaves tomorrow for Alta, Utah, to compete in the nationals.

SQUAW SKIERS WIN IN SUMMIT MEETS

DONNER SUMMIT—Chris Palmer and Dorothy Mercer of the Squaw Valley Ski Club Sunday won the giant slalom races in the Far West Ski Association's district No. 5 championship tournament at Donner Ski Ranch.

Palmer, a class B competitor, was clocked in 1:59 for his ride through the 30 gates of a 3,000 foot course which drops 800 feet down Signal Peak.

Second place went to Hans Osterud, also of Squaw Valley, 1:17.1, followed by Kurt Weckeiser, San Francisco, 1:20.2.

Sledding Warning Issued By Patrol As Children Hurt

Fair Sisters Hospitalized In Second Accident In Two Weeks

Three young children have been injured, two of them seriously, in collisions between sleds and vehicles during the past three weeks.

Sunday afternoon at 3 o'clock, Bonnie Lynn Fair, 13, and her sister, Diana K. five, were hurt when their sled ran into a car driven by G. E. Lewis on Donner Trail Drive near the quarantine station in Meadow Park.

Diana was rushed to a Reno hospital with a fractured skull and broken collar bone and Bonnie was taken to the Tahoe Forest Hospital with lesser, but painful, injuries.

According to the California Highway Patrol, the children were coasting down the icy road when the Lewis car came around a sharp curve. The driver could not see the youngsters because of the snow bank beside the street and was unable to stop in time to avoid the collision. Lewis was held blameless for the mishap, described as unavoidable.

Diana was riding on her sister's back when the mishap occurred.

Previously, little Randy Dittenbir, five year old son of Mr. and Mrs. Randolph Dittenbir of Floriston, was severely injured when he was run over by a truck operated by Lester M. Felesina at Floriston.

Randy and two other boys were coasting and came down an embankment onto the road. The sled went between the wheels of the truck and the driver was unaware of the boys being there and the wheel passed over Randy. He was released from the hospital recently.

Sergeant Frank Snyder of the California Highway Patrol said use of sleds on roads and streets is a violation and that officers have been instructed to cite parents who permit youngsters to violate the code.

"We sincerely regret the necessity for such action," the sergeant said, "but we hope to avert tragedy."

In the meantime the sergeant said he and the patrol would be pleased to assist in establishing coasting areas for the children where there is little danger.

March Of Dimes Is Started At Lake

KINGS BEACH—Gene Faulkner, V. F. W. Department of Nevada Polio Chairman and North Tahoe area chairman of the National Foundation announced the Nevada March of Dimes for 1960 was started by members of V. F. W. Post No. 7077 and their Auxiliary on January 7, and have sponsored the program for five years.

Coin collectors and posters of various types were placed in schools, stores, markets, restaurants and other locations in the North Tahoe area and Squaw Valley.

The posters and canisters carry a photograph of Mary Beth Pyron of Florence, Alabama, a birth defects child who symbolizes all victims of crippling.

Funds collected will support a program of medical research, patient aid and professional education aimed at eliminating the tragedy and heartbreak that results from the three major crippling—birth defects, one out of 16 babies born—arthritis, America's No. 1 crippling disease and polio—old and new epidemics have left 50,000 in need of March of Dimes care.

Faulkner said, "the job is an enormous one, but as in the case of the Salk vaccine, we can succeed with public support."

During the next two weeks Mr. Faulkner will show films to the various service clubs in the North Tahoe area and a talent show will be held on Saturday, January 30, watch for further details in your local paper.

TWO BABIES ARRIVE AT LOCAL HOSPITAL

Two babies arrived on January 16 in Tahoe Forest Hospital for residents of Truckee.

Mr. and Mrs. Carl Lude welcomed their daughter, named Allison Leigh, her registered weight was 7 pounds, 5 ounces. Mr. Lude is a member of the teaching staff at Tahoe Truckee High School.

A son arrived for Mr. and Mrs. Jack Hotsenpillar, weighing 5 pounds, 12 1/2 ounces, his given names are Jeffery Lynn. Mr. and Mrs. Paul Rausch of Truckee are the maternal grandparents.

IN ISLANDS

Mrs. G. W. Mortimer, former Lake Tahoe resident for a number of years wrote that she is spending her third winter in Honolulu and that the spectacular shows recently put on by the volcanoes has been thrilling. Mrs. Mortimer was one of the many who made the trip by airplane, over and around the fire belching volcano several times.

DONNER SUMMIT
NEWS

By DONNA I. POWER

UTILITY DISTRICT MEETS
January's meeting of the Don-
ner Summit Public Utility District
was held January 5th at the Don-
ner Summit Lodge under the chair-
manship of Max Williamson. Di-
rectors Harry Pratt and Bill Can-
non were also present. A bond is-

sue to finance many needed im-
provements for water service was
discussed. An engineer will be
hired by the district to outline
the work needed and estimate the
cost, which is expected to be from
\$60,000 to \$70,000. This figure is
well within the bonding capacity
of the utility district. Among the
major planned expenditures will
be the construction of a filtration
plant.
Also discussed was the Sugar
Bowl's use of water from Lake
Mary where the Donner Summit
Public Utility District also pur-

chases water. Attorney for the district, Paul Chamberlain, will make an effort to establish ownership of the water and decide whether or not the district should receive revenue from the Sugar Bowl for use of the water.

Accountant for the district, Ray Carlyle, was present at the meeting as were interested residents Mary Williamson and John Johansen.

SODA SPRINGS CLINIC

The recently established Soda Springs medical clinic is now completely equipped and staffed. Edwin Hendrickson, M. D. who is medical head of the clinic this week installed both portable and stationary x-ray equipment to complete the fully modern facilities. To complete the staff at the center, Miss Enid Wilson, a registered nurse, arrived this week.

PROMOTE SKI AREA

Operators and business people in the Donner Summit area have held meetings for the past few months in an effort to bring about better cooperation in advertising and promotion of the area for skiing. The group is concerned with the effect the modern freeway will have on skiers coming to the area. Those who own lodges fear that groups will not need to stay over night because of the speed of travel. All are concerned about being bypassed by the freeway upon completion of the summit strip.

TO FILE

Max Williamson of Soda Springs plans to file for election to the school board for the Tahoe-Truckee School District. A position on the board is expected to be open at the conclusion of the term served by Byron Miller of Floriston.

NEW CITIZEN

Born January 4th to Mr. and Mrs. Chester Griffith of Tunnel 6 at Norden is their daughter, Lynda Kay who weighed seven pounds at birth. Mrs. Griffith and her young daughter arrived home Saturday, January 9.

BETROTHAL ANNOUNCED

PLENTY OF HOUSING
DIRECTOR REPORTS

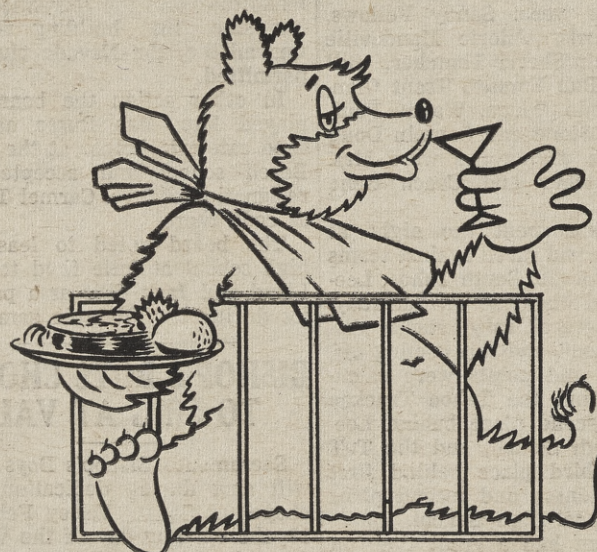

SQUAW VALLEY—Rumors that there is a critical shortage of spectator housing for the VIII Olympic Winter Games are completely false, according to George Goldsworthy, organizing committee housing director.

Accommodations at reasonable rates are available as close as the north shore of Lake Tahoe, 20 miles from the Squaw Valley Olympic Games site. Further, housing is available for short as well as long stays. Sacramento area hotels and motels still have accommodations on a one-night basis over the Washington's Birthday weekend, Feb. 19, 20, and 21.

nite.

The bride elect is a graduate of Placer Union High School in Auburn. She is now attending Sierra Junior College where she is a sophomore. She is a member of Phi Chi Gamma, a past worthy advisor of Auburn Assembly No. 57, Order of Rainbow for Girls and a former member of the Teens Club. Cottrell is a graduate of El Camino High School and is attending American River Junior College where he is the president of the ski club.

The announcement was made during a party held at the home of the bride elect's aunt and uncle, Mr. and Mrs. Wesley Barry of Carmichael. Also present were the couples parents and brothers and sisters.

Hotels and motels in nearly all areas will take weekend reservations on both the first and second weekends of the games.

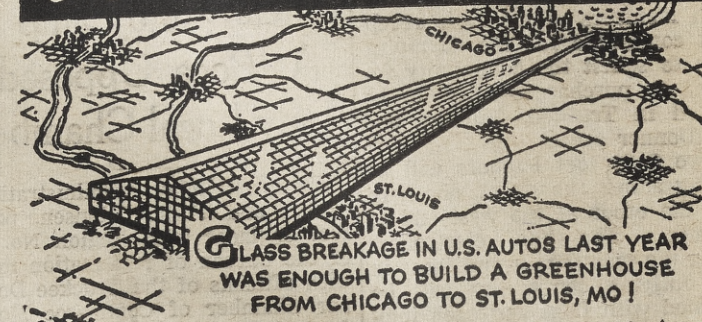

In order to assure housing for spectators at reasonable rates, the organizing committee has signed housing agreements with hotels and motels from the following areas: Truckee, north shore of Lake Tahoe, Reno, Carson City, south shore of Lake Tahoe, Auburn, Grass Valley, Sacramento, Placerville, Sierraville, Sierra City,

Quincy, and Susanville. Bus transportation directly to Squaw Valley is available from almost all of these areas.

Ticket and housing information may be obtained by writing Olympic Winter Games, San Francisco 5.

Lake Okeechobee in Florida, 730 square miles in area, is one of three of the largest lakes in the United States, excluding the Great Lakes.

TAHOE TRUCKEE SCHOOL NEWS

KINGS BEACH SCHOOL
KINDERGARTEN: This week the kindergarten has been busy with Eskimo projects. They have made igloos, kayaks, and dog-sled teams out of clay and paper.
SECOND GRADE: Jimmy Baxter brought his puppy to school to share with his classmates.
Glen Small and Bruce Harrell left our class. This leaves us with thirty-five second graders.
January 13, we had perfect attendance, although the weather is cold and we have plenty of snow on the ground.
THIRD GRADE: On our bulletin board we have igloos, kayaks, totem poles, northern lights and Eskimo men, ladies and children. Mr. Baker of the library sent us an assortment of resource books for the children to use in this unit.
FIFTH GRADE: We have several new students in our room. Their names are Debbie Dobson, Janice Blatt, Rosario Siviglia, Danny Cone and Donald Macklin.
Nancy Hutchison brought a book of poems by Edgar A. Guest. Our class is studying a unit on poetry.

Carol Corbin wrote two poems to share with the class.
Mrs. Dorothy Lane, supervisor from Placer County, visited our room Thursday and listened to our class read stories they had written.
SIXTH GRADE: In our sixth grade class Phil Thompson made a bulletin board on the 1960 Winter Olympics.
In the past week Phil Thompson, Darryl Cernusack, Vern Wing, Bruce Templeton and Larry Henderson brought materials for experiments on science.
Joanne Ziegler was chosen for tab secretary.
TAHOE LAKE SCHOOL
KINDERGARTEN: The following children were given stars for perfect work on the Weekly Reader puzzle page, Cynthia Ables, Clifford Plew, Charlene Keehn, Rickie Baker, Donald Carlson, Theresa Vanni, Bobby Easton, David Beckman, John Attardi, Susan Kettenhofen, Sheryl Walling, Joella Moe, Laura Njurich, Scott Jorgensen, Michael Bechdolt, Susan Lewis and Beverly Freeland.
FIRST GRADE: Half of our class finished all their primers and are now starting on "Our New Friends" the first reader.
SECOND GRADE: The new class president is Carl Larson, and the class secretary is Karla Meixner.

Much work has been done by the class in studying about sentences, and how to use correct punctuation.
THIRD GRADE: The third grade class had an opportunity to present the results of their study of ancient Greece and the Olympic games to Mrs. Steinhauser's second graders.
Elected president for next week was Eric Poulsen; vice-president, Mike Dempsey and Sands Hall, secretary.
FOURTH GRADE: The following children received hundreds in the weekly spelling test: Ernie Marier, Pamela Bradley, Breezy Cross, Tabor Griswold, Tom Easterly, Janet Jorgensen, Alice Brandstrom, Suzanne Wertz, Barbara Poindexter, Roxanne Anders, Dianne McBride, Anna Marie Connors, Leah Howard, Denise Henriksen, Ann Starratt, Jim Geyer, Erik Henriksen, Steven Shaw and Tuck Rivard.
FIFTH GRADE: Tahoe history booklets are progressing. Our latest efforts are mapping Tahoe City showing Main Street and Lake front business in 1868. Jimmy Bechdolt brought a collection of pictures of Main Street before the big fire.
Dick Pomin brought a picture of the greatest boat, The Tahoe, which was sunk twenty years ago. Science recordings winning A's

this week were stories on bats by Janet Phillips, Charlotte Bennett, Leigh Sweiger, Lynn Harper, Mark Meisner and Mike Tanner.
SIXTH GRADE: With the completion of the unit on Mexico, the students were: Cathy Connors, Karen McBride and Alex Cushing. In the language mid-term test A's were given to Alex Cushing, Julie Bechdolt, Lyn Dutton, Joyce Anderson, Kathy Ann Wilson, Becky Gorgias, Alice Calhoun and Gwen Phillips. The most improved student in language is Pat Dempsey.
SEVENTH GRADE: Students who wrote perfect papers in spelling on Unit 19 were: Wendy Broomhall, Lisa Davis, Roger Michener, Karen Simpson, Susan Stephani, Sherry Wall and Katie Schwiager.

The bulletin board committee, consisting of Chairman Sherry Wall, Susan Stephani, Larry Ingram and Roger Michener, have completed a display on the 1960 Olympics and various winter sports, entitled "Winter Wonderland."
In music class, duets were presented by the following groups: Lisa Davis and Penni Clarke, Larry Ingram and Roger Michener and Randa Fugere and Sherry Wall. Student directors for the round "Fray Felipe" were Don Bury, Linda Sprague, Linda Wolden, Jayne Shontz, Susan Stephani and Greg Moore.
EIGHTH GRADE: The class work in general has been improving. All the class except for three or four pupils wrote perfect spelling papers. Work in social studies has been mainly on the study of U. S. Government, now we have returned to U. S. history during the fur trapping and gold rush days.

DONNER SUMMIT NEWS

By DONNA I. POWER

DONNER WATER SKIERS

The water skiers in the Donner Summit area will be interested in the law concerning licensing of small boats. Currently all small boats used on the California water ways must bear a license number which is purchased from the California Department of Motor Vehicles for a fee of \$5. A boat powered by

an engine of any fuel source operating without such a license may be fined as much as \$500.

OLYMPIC TORCH

A list of names of young skiers in the Donner Summit area is being gathered to carry the Olympic torch on the old Donner Trail Memorial Race course. The trail will start at the snow line near Emigrant Gap and continue to Donner Lake. A committee working hard to make the project a success comprises Max Williamson, Norm Saylor, Art Sanders, Wynn Killian of the Donner Summit area. Joe McEveety of the Walt Disney studios in Burbank is also working with

TNT Tidings

By SHERRY THATCHER

A program has been set up at the high school whereby students interested in a teaching career can visit and observe various classrooms at the Truckee Elementary. Thus far only four girls have taken up this opportunity. They are: Judy Beck, Sheri Curran, Blanche Ploof and Sherry Thatcher.

After the February vacation they will be allowed to take part in the daily teaching. The program is to promote and encourage elementary school teaching.

The high school library has received fifty new books which may be borrowed. They include fiction and non-fiction. Some are in French and were printed in Paris, and one is an anthology of English and American literature and was published over a hundred and fifty years ago.

The final rally of the year will be held Friday, January 22 in the high school gym. At this time the perpetual rivalry trophy will be officially presented to Tahoe Truckee from South Tahoe for 1960. Entertainment will be provided by the yell leaders. It is hoped to get the school spirit going for the February season when there will be no school to remind the kids of the basketball games.

The Tahoe Truckee basketball teams have two away games this weekend. On Friday they travel to Yerington to meet with the Lions, and on Saturday they are the guests of South Tahoe High for their fourth conference game of the year.

STORY OF COUNCIL GOES TO MEMBERS

LAKE TAHOE—The story of the Lake Tahoe Area Council, in the form of a narrative history of its formation and development, is being distributed today to members of the council.

Copies of the history are also being made available to the press, and historical associations and other libraries for future reference.

Published as a "Topic Report" primarily for members of the council, the history was written by Fred M. Schultz, administrative manager on the council's staff and one of the pioneer members of the first organizing committee.

At one time president of the Lake Tahoe Sierra Chamber of Commerce and a leader in service club activities and service club affairs at Lake Tahoe, Schultz was one of a handful of lake business men who sat together over a period of months to plan for an organization which subsequently became the Lake Tahoe Area Council.

The history takes the development of the council from the days of the earliest meetings in 1957, through the formative period before even a name and plan of organization was settled upon, to September 1, 1959 when under President B. E. Lowe the council was fully organized with its own staff and a carefully formulated program for action in 1960.

President Lowe, who is vice president and assistant to the president of the Sierra Pacific Power Co., was the first president of the council upon its formal organization in 1959, and was re-elected to serve during the 1960 term.

With the history of the council published as a report to the membership, plans are to publish a resume of council activities each year end so that the continuity of the historical record may be retained.

STUDENTS RETURN TO VISIT CLASSMATES

By Rebecca Wainscoat
During the Christmas holidays, graduates of Tahoe Truckee High School who returned to visit included Luisa Schutto, Dorothea Frey, Sherman Reams and Jim Hutchins.

In Mr. Bol's English class, Luisa and Dorothea told of their lives at college. Dorothea, a freshman at Sierra College, was a bit disappointed with the social life. "There is not enough," she said. But she was very enthusiastic over

the committee in his capacity as torch relay director for the Organizing Committee for the VIII Olympic Winter Games.

SQUARE DANCERS
The Donner Summit square dance group met again this Monday evening in the Donner Trail School after missing several evenings because of the Christmas holidays and snow storms.

COMMUNITY CLUB
January 21 at the Donner Trail School the Donner Community Club will hold its monthly meeting at 6:30 following a potluck supper.

WEATHER
The official snow report from the Central Sierra Snow Laboratory from the dates January 11 through January 18, shows 48 inches of snow on the ground with a weekly fall of 16.7 inches. The season's total snow fall to date is 98.8 inches. The maximum temperature reached this week is 28 degrees recorded January 17, while the minimum was 2 degrees recorded January 13.

MEADOW VISTA MAN ANNOUNCES HE IS IN SUPERVISOR RACE

Merlin Lay

Merlin Lay, 55, Meadow Vista building contractor, announced this week that he will seek the seat of supervisor of Placer County for the fourth district. The office is now held by Frank Paoli of Colfax.

Lay is presently serving as president of the Meadow Vista County Water District and served as a member of the Meadow Vista Elementary School and Placer Hills Elementary School boards from 1945 until 1957.

The area of the district extends from the south end of Meadow Vista to Kings Beach at Lake Tahoe and includes Applegate, Weimar, Colfax, Alta, Dutch Flat, Baxter, Emigrant Gap and Summit.

In his statement Lay said, "I believe that the position of supervisor calls for community spirit on a large scale in order to try to keep in step with the fast development of Placer County. I do not think one could say the position should be sought after on a monetary basis only."

"If elected I would place any county business first and whatever time is left would be spent on my contracting business."

Lay is married and is the father of three children, Herbert, 26; George, 22 and Connie 14. The Lays have three grandchildren all living in Meadow Vista. George is a student at Sierra College and Connie is a student at Placer Union High School.

MOTHERS MARCH FOR DIMES IS SCHEDULED

KINGS BEACH—Audrey Welch, polio chairman for the Ladies Auxiliary to V. F. W. Post No. 7077 Lake Tahoe states the annual Mothers March on polio will be held Friday, January 29, hours, 7 p. m. until 10. Annually for the past five years members of the Ladies Auxiliary and Post and members of the Tahoe City Women's Club, regardless of weather conditions go out to collect for the Mothers March on polio.

An appeal is being made for volunteers for Tahoe City. Women in Tahoe City may contact Audrey Welch or call Pearl Moore, Liberty 6-3514.

Support and contributions made to the March of Dimes sponsored by V. F. W. Post No. 7077 and Auxiliary, in the North Tahoe area has led the nation for three years. All money collected goes to the National Foundation, no matter where you live, town, city or county. The local organization has received recognition from the National Foundation not just for the money collected but for their all out efforts and work for the March of Dimes program.

At your doorstep begins another journey into the unknown, spearheaded by millions of people in partnership with men and women of science, medicine and education. With your support and from people all over the country, relief and eventual protection may be found for millions of Americans whose heartaches, pain and crippling demand research and medical care.

Contribute to your March of Dimes and if you wish to bring hope and speedier victory over arthritis, birth defects and polio help the National Foundation by getting your Salk vaccine for your whole family NOW.

the academic features. Luisa, attending the University of California, said, "It is a wonderful new experience, and there is really too much to do—in social life and in studies." She is majoring in international relations, and hopes some day to work with the United Nations.

Also seen on the campus were Buzz Trainor and Kenny Vaughan. Marcia Graton, who spent the holiday at Kings Beach, is studying nursing at Holy Cross School of Nursing, Sati Lake City.

tion—this is a theme of the lesson-sermon entitled "Truth" which will be read at Christian Science services Sunday.

Scriptural passages will include the account in Luke of the healing by Christ Jesus of the man "which had a spirit of an unclean devil" (4:33-36).

A correlative citation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "To understand God strengthens hope, enthrones faith in Truth, and verifies Jesus' word: 'Lo, I am with you always, even unto the end of the world'" (446:20).

The Golden Text is from Psalms: "Teach my thy way, O Lord; I will walk in thy truth: unite my heart to fear thy name" (88:11).

NORTH TAHOE

By JUDGE HARRY CHARRISON

WEATHER

Oh brother- today Saturday, we were promised it would be ten below, but we were spared some- as out our window it was 4 above

at 6:30 a. m. Cold enough, eh? Now, 9 a. m., the sun is shining brilliantly, lots of snow on the ground.

WATER

There are quite a few homes and motels without any kind of water, some have been waterless for three to four weeks. Sid, our water man

and his helpers have been working constantly without too much success.

FLAGS

Congratulations to the residents of Tahoe Vista. They are the first to fly International flags through Highway 28. Very becoming to that swell community.

OLYMPIC DINNER

This Friday is the big night to boost the funds for decorating our highway. Don't forget it's at the Crystal Bay. Get your tickets at the door from 8 p. m. until midnight, lots of fun to the wee hours.

PASSED AWAY

Sad to hear of the passing of Fred Wade, former owner of the Lazy L Court, Kings Beach. He passed away at Palm Springs where after funeral services and cremation took place. He leaves a wife and daughter, Margie. Gene Faulkner, former son-in-law, attended. Our sincere sympathy goes to Margie and her mother. Fred was a native of Australia.

FIRE PROTECTION

The North Tahoe Fire Protection District has elected to meet the second Thursday of the month instead of the first Thursday. They meet at the fire barn at 8 p. m. and the commissioners welcome all who would like to attend and head just what your fire district is doing for you. Also, to bring any problems along that line you may have.

KNIGHTS OF COLUMBUS

Crystal Bay Club was host to two or three hundred members and friends of the Knights of Columbus over the past weekend.

BEAUTIFUL BABY BOY

A bouncing baby boy was born to Nolan and Mrs. Little at St. Mary's Hospital on Wednesday, January 13. David William is the proud name. Also, Fred and Mrs. Wofford's daughter and son-in-law are up on a visit with their Julie, from Fresno.

SURPRISE

The Robbie Robinsons were happy to receive a surprise visit of their popular young son, Craig, also of Fresno. Looks like Fresno is agreeing with you, Craig.

POLIO

The polio campaign, headed by Gene Faulkner, chairman of the VFW for the State of Nevada, is in full swing. Already the VFW is out to a good start and hope to equal or surpass the past year or so when they have topped the nation.

Mr. and Mrs. Al Stoddard, former Lake residents recently wrote that they have moved from Twenty Nine Palms to Big Bear Lake.

DONNER DOINGS

By VIRGINIA O'BEAR

Mrs. Rex Reid has been on the sick list this week and is under a doctors care. She also received word from son Larry that last Monday he had surgery at the army base where he is stationed. All the members of the Ladies Auxiliary are wishing Bess a speedy recovery and hope she will be able to preside over the meeting Thursday night.

Mr. and Mrs. Ken Ford will be away from Donner Lake for a few weeks as Mrs. Ford's mother is seriously ill in a hospital and is undergoing surgery. The children are with them and Sharon's many

little friends at school will miss her.

Don't forget this coming Monday night. A meeting is set for Donner Lake Lodge at 7:30 on January 25. At that time residents of Donner Lake will have an opportunity to meet with the Nevada County Planning Commission concerning zoning Donner Lake. A large turnout is expected as residents have been looking forward to this meeting for quite sometime.

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department will have a dinner and business meeting at Donner Lake Lodge this Thursday evening at 7:30. Hostesses for the evening will be Mrs. Richard Walker, Mrs. Bill Davis and Mrs. H. Gilson. An entertaining evening is planned and also on display will be the new

coffeemaker for the fire house. Come prepared to get your pepper and vanilla so we will be able to keep the coffeemaker. Each item is just a dollar and is pure vanilla, not imitation, the pepper is in a good sized box and is pure.

A very delightful evening was spent at the home of Mrs. C. Z. Smith Monday evening when members of the board and the officers met to prepare the meeting for the Ladies Auxiliary this Thursday night. Many things were discussed concerning the auxiliary. Since next month is Olympic month, members will be asked Thursday night if they would prefer the meeting next month on February 11 instead of the 18th as scheduled. As everyone will be busy, it might be difficult to find a meeting place. Next month will be election time and a good turn-

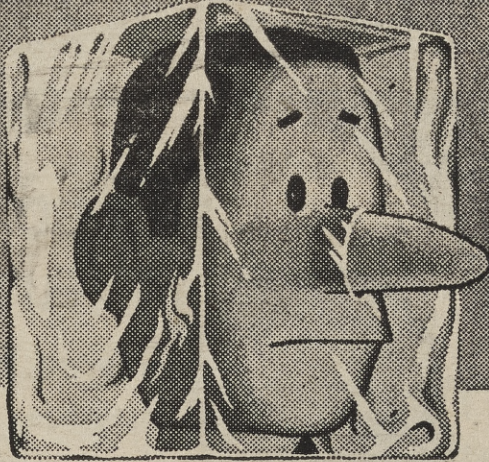

out is expected as officers for the year will be chosen that night and will take office in March. Mrs. Smith served her guests delicious homemade cream puffs and coffee so the board meeting was enjoyable as well as accomplishing.

TAKE A TURN IN THE TURBINE DRIVE BUICK '60...

Turbine Drive* gives you the smoothest flow of power in any car today. No lag, no lurch, no click in a Buick... just a steady flow of power under your control at all times. Other automatic transmissions shift gears "ready or not", but when you put your Buick in "Drive", no gears ever shift. And Turbine Drive saves you money because it stays smooth without adjustment.

Buick's superior brakes stop better and last longer because their unique design prevents dangerous heat build-up. All brake drums are finned and front drums, where up to 80% of the braking is done, are aluminum—get rid of heat much faster than ordinary drums. See your Buick dealer today and learn for yourself how exciting it is to drive this beautifully-built quality car.

*Optional at extra cost on LeSabre, standard on Invicta and Electra

Loaded for trouble?

To the youngsters, a drive with the gang is great fun—and no one wants to interfere with their good times. But driving is serious business.

The boy is a good driver, bright, quick of reflex. But accidents happen to good drivers of any age. Something done by one of his friends that takes

his eyes off the road ahead... something said that taunts him into acting foolishly...

Last year, nearly 40,000 people died in traffic accidents—many of them killed by good drivers whose minds weren't on their job. So stay alert every minute you drive. Keep driving fun—and safe!

Help stop senseless killing on our highways. **Drive safely** yourself.
Insist on strict law enforcement for your own protection.
Work actively with others to **support your local Safety Council**.
Remember—where traffic laws are strictly enforced, deaths go down.

ner Kenny Kisor, Lynn Quartly, Carolyn Gilman, Marcia Leamon, Susie Knapp, Mike Sauby, Mike Ingalls.

DONNER TRAIL SCHOOL **PRIMARY CLASS:** The primary students of the Donner Trail School enjoyed very much the unexpected vacation on Tuesday when school was closed because of the heavy snowfall.

Story time has been highlighted this week by the reading of several versions of the age old story of "Snow White and the Seven Dwarfs."

UPPER GRADES: The sixth grade class presented a play on January 8. The story was about a fool seeking brains from a wise woman. Students participating in the play were Barbara Lyddane, Laurel Mason, Bunny Board, Sherman Williamson, Jay O'Rear and Bill Strickland. The fifth and fourth grades are now busy preparing plays that they will present in the future.

NOTICE OF HEARING VARIANCE FOR SIGN TAHOE CITY

Notice is hereby given by the Placer County Planning Commission that two public hearings will be held by said Commission on Friday, February 5, 1960, and Friday, February 26, 1960, at the Court House, Auburn, Placer County, California, at the hour of 10 a. m. to consider the application of Andrew G. Hunt for a variance to construct a neon sign within two feet of the front property line and adjacent to the side property line, on the following described property:

Lots 7, 8 and 9, Block 2, Map of Tahoe City; Grove Street and Highway 89, Lake Tahoe. At said hearings all persons in favor of or opposed thereto may be heard.

HIGHWAY WILL SELL LAND NEAR COLFAX

The state division of highways has asked for sealed bids for the purchase of 1.92 acres adjacent to U. S. Highway 40 about six miles northeast of Colfax. Bids will be opened January 21 at the Marysville district office.

The property is a portion of that which was acquired by the state

ing of past medal winners in all the games, from the first at Chamonix in 1924 through the seventh at Cortina in 1956.

in connection with freeway construction completed last summer. The wedge-shaped plot is not needed for highway purposes. It is located northerly of the highway, 1.5 miles southwesterly of the Gold Run road overcrossing. Minimum acceptable bid is \$288, and the minimum deposit, \$213. For additional information contact Division of Highways, 703 B Street, Marysville SHERWOOD 3-5421.

A hundred years ago one farm worker supported only four persons in addition to himself, compared to 25 nowadays.

The Luckless Legion by Irwin Caplan

More than 253,000 pedestrians were killed and injured in 1958.

West Shore Notes

By NINA SLADE

Lambert 5-7751

P. O. Tahoma, Lake Tahoe

Tahoe took the spotlight when the last storm blew in and transformed familiar landmarks to things of curiosity and beauty. The Sacramento Bee featured a front page photo of Al Lewis, Tahoe City, cleaning his driveway and walks with a rotary snow plow which was invented by James Williamson, also of Tahoe City. At Homewood a photo in the same paper showed a mound of snow half scraped off, revealing a small foreign car. The totems at Tahoe Inn were featured showing, one of them with a jaunty snow tam and hands full of snow. These totems were given to honorary mayor of Tahoe City, then sheriff on the movie lot, Carl Bechdolt, Sr., when MGM made the movie Rose Marie at Tahoe in 1938.

Edna Manley of Tahoe Park surprised Miss Mabel Franklin with a luncheon birthday party last week. Guests were Yvonne Bechdolt, Mrs. Phil Geier and Mrs. Myrl Rose and Edna's sister of Illinois who is visiting here.

Happy news is that Postmaster Elizabeth Bavier is making progress. Her doctor is anxious that she have complete rest and the "no visitors" sign will be up a while. We're all rooting for a complete recovery soon, so keep up the good work, Elizabeth.

Mrs. John Kvistberg of Tahoe Park has returned from a Christmas and New Year visit in the bay area.

Martin Miller, Jr. of San Le-

NOTICE TO BIDDERS

Notice is hereby given that the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, will receive sealed bids up to but not later than 5 p. m., on February 5, 1960, for foreign language electronics laboratory, in accordance with plans and specifications now on file in the office of said Tahoe-Truckee Unified School District Superintendent, located at Tahoe-Truckee High School, Truckee, California all prospective bidders are hereby referred to said plans and specifications.

Said bids will be publicly opened and read aloud at the above stated time and place. Each bid shall be made out on Bid Forms to be obtained at said office and must be accompanied by a certified check, or money order for ten percent (10%) of the amount of the bid, made payable to Tahoe-Truckee Unified School District, Truckee, California. Said certified check or money order shall be given as a guarantee that the bidder will enter into a contract or any part thereof if awarded said bid, and will be declared forfeited if the successful bidder shall refuse to enter into said contract after being requested to do so by said Tahoe-Truckee Unified School District, Placer and Nevada Counties, California. Delivery must be made F. O. B. to the Tahoe-Truckee High School, Truckee, California.

Said Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, reserves the right to reject any and/or all and any part or all of any bids and to waive any irregularities.

By order of the Governing Board of the Tahoe-Truckee Unified School District.

day. This makes a happy stopping-off place for hungry and thirsty travelers and natives in the long, dry stretch between Emerald Bay and Tahoe City—the only winter oasis so far opened.

Mrs. Esther Elliott drove up despite snow, sleet and ice, to open her Homewood place in anticipation of the arrival of her family.

The Bruno Berraris of Lodi have purchased the Tahoma residence of the Tony Bordonis and spent a few days here last week, according to Willie Arnold.

A scheduled initiation meeting of the Tahoe-Sierra Emblem Club No. 347 did not take place last Thursday due to the bad weather. The initiation meeting is set for a future date and will be announced. The club met last Thursday at Tahoe Community Center. Emblem hostesses, Mrs. Ray Grahn, Mrs. Sara Hunter and Mrs. Robert Summers cordially invite guests to dessert and card games at Bacchi's, 1:30 p. m., January 28. Reservations and tickets may be had through Vice President, Mrs. Allan Calhoun, telephone JUniper 3-3567.

Herb Dana drove up from Oakland to spend a few days at his Tahoma beach house. Mrs. Dana is in the east.

The Ed Iversons of Skyland have finished their home and have moved in.

Jackie Jensen of Crystal Bay is making up his mind about the \$50,000 contract with the Bosox. A year or so ago, Jensen said in a Saturday Evening Post article that all he wanted to do was quit, when he could. If Jensen accepts, this would make him one of the six highest paid players in the American League.

Sad news of the death of Alma Forbes, wife of Charles Forbes, Walnut Creek, and Tahoma, was received this week. Alma passed away last Friday night at the Kaiser hospital in Walnut Creek, after a long illness. She is the daughter of Dr. T. Dannenberg of Alamo and has summered at Tahoe for many years. No details were available when we got the news, but all who knew her and Charles send their deepest sympathy to him and her family.

A small chimney fire at the Viking Gift Shop, at the Tahoe bridge, called out the Tahoe City Volunteer Fire Department. It was quickly extinguished and damage, happily, was small.

The Italian ski team will be housed at Tahoe Pine Lodge in Tahoma. They have a desperate call out for an Italian style cook to prepare their native dishes while they're training and competing. If you know anyone who can fill the bill, call Truman Sunkel at Lambert 5-6837, Tahoma.

Bill Stead, 1959 national champion unlimited hydroplane driver, has been elected "Driver of the Year" at Gulf Marine Racing Hall of Fame ceremonies in New York last week. Stead is the third man to receive this top award since it was founded in 1937. Stead spent several days in New York City

making radio and television appearances.

At the opening of the ski and Olympic season, we feel it is somewhat more than fitting to receive from Dr. Edwin O. Hendrickson an announcement of the opening of Donner Summit Orthopedic Clinic, with complete x-ray facilities, at Soda Springs Lodge. Practice limited to orthopedic surgery and fractures.

The bottleneck, in which Tahoma, Meeks Bay and Rubicon properties are located, got the usual treatment from the county supervisors when the snow piled up. Telephone calls last Sunday resulted in a brush-off to the ef-

Wolverines Lose, Win In Weekend

Tahoe Truckee's Wolverines finally put their offense and defense together Friday night, with the result being a resounding 59-47 victory over the Stewart Braves.

Coach Neil Gates started Jim Loynd, Mike Robinson, John Olinghouse, Marty Kumble and Merrill Englehart in a surprise move, hoping to wear down the host Braves. This strategy would have succeeded except for Stewart's Terry McCann, who chose the opportunity to net a total of 11 points in the first period, helping the Braves to a 14-5 bulge.

At that point the regulars took over for the Wolverines and by half time had narrowed the Stewart lead to 3 points (29-36) chiefly because of Bob Merica's 4 field goals and 2 free throws.

Sammy Medford took over in the third period and his 8 markers gave the Wolverines their first lead of the game, 42-41. Given this full head of steam, the mountain boys turned it on and broke away with 17 points in the final period to make it a decisive victory.

Merica and Medford tied for scoring honors with 16 points apiece, although Stewart's McCann managed the game high of 17. Leading the defensive parade was the inspiring work of Bill Noley, the kangaroo legged fireball who shocked the Braves with his aggressive floor play.

The final score was Douglas 59 to 44 for TnT, but no one in attendance doubted that the Wolverines played their finest game of the year Saturday. Despite the final score, the issue was in doubt until the last moments of the third period when the torrid offense of the hosts broke down and allowed Douglas to pull away.

The contest began with a spirited TnT defense bottling up the Tigers' offense and grabbing a 6-3 advantage midway in the first period. Balanced scoring by the visitors evened up things up before long, and the quarter ended with a 13-12 Douglas advantage.

The Tigers capitalized on their height advantage, as 6 ft. 8 in. Bill Kinkle exploded in the final period to end the game with 17 points. Manke and Simmons also

Lodge Installation

(Continued from Page 1)

Lodge No. 162 are: Past Noble Grand, Charles Vind; Noble Grand, Bill Davis; Vice Grand, Posten Wilson; Recording Secretary, Raymond Fudge; Secretary-Treasurer, Jack Goldsmith; Warden, Jack Boren; Conductor, M. C. King; Chaplain, Dick Quist; Right Supporter of Noble Grand, Hank Slack; Left Supporter of Noble Grand, Jerry Zunino; Right Supporter of Vice Grand, Victor Salvatore; Left Supporter of Vice Grand, Charles Bander; Inside Guardian, Ted Franklin; Outside Guardian, C. W. Kydd; Musician, Wayne Philippi.

The hall was beautifully decorated for the occasion by Paula Quist and Georganna King, using Squaw Valley and the Olympic Games as their theme. A cake was presented to the two new noble grands which was decorated with a miniature of the ski jump at Squaw Valley. The refreshments of sliced ham, a variety of salads, hors d'oeuvres and coffee were served by hostesses Lenore Vind, Julia Davis, Pearl Heller, Mary King and Dorothy Slack.

helped the Douglas cause by canning 15 and 14 respectively.

By far the outstanding performance on the floor was turned in by Wolverine postman Bob Merica who played his finest game of the year, and possibly of his career. His 17 points prove his offensive prowess, but his true merit was on defense, as he consistently out-rebounded the towering Kinkle. Also impressive was the boardwork of Noley and Chuck Bergman who went up again and again while turning in one of the most inspiring performances in many a contest.

The Cubs of Tahoe Truckee ran their seasonal record to five wins and 2 losses as they bounced the Douglas JV's 50-43 in the Saturday night preliminary.

It took two overtimes for the Cubs to bounce back on the winning trail as they subdued the Stewart club 45-43. The outset was another energy-draining heart-stopper as the locals maintained their custom of providing viewers with the championship performances.

Special Trains To Truckee For Games

Southern Pacific will run special trains to the Olympic Winter Games on at least six of the eleven days of competition. The present schedule calls for trains to be run on February 18, opening day, and on the 20th, 21st, 22nd, 27th and on closing day, the 28th.

Connecting buses will leave San Francisco's Third Street station at one minute after midnight for the 16th Street station in Oakland, where train departure time will be 12:35 a. m. Arrival time at Truckee will be 7 a. m.

Special Greyhound buses will take passengers the 11 miles from Truckee to Squaw Valley, arriving at the games' site at approximately 8:30 a. m. It will be necessary to make seat reservations in advance.

The trains will be made up of lightweight, streamlined chair cars with a lounge car, a hamburger grill car and a baggage car for ski equipment.

Light breakfast or supper will be served continuously in the grill car, and beverages will be served in the lounge car up to 2 a. m.

On the return trip, the bus will leave Squaw Valley at about 4:30 p. m. and the train will depart Truckee at 6:15 p. m. Arrival in Oakland is scheduled for 12:15 a. m. and in San Francisco, 12:45 a. m.

Round trip fare (including Greyhound bus fare between Truckee and Squaw Valley) from San Francisco is \$15.50.

HEARING SLATED TO DISCUSS BUS STOPS

The California PUC will open public hearings in Colfax on January 27 in its investigation into operations and adequacy of service of bus lines along U. S. Highway 40 between Roseville and the California-Nevada state line.

The hearing will be held before Commissioner C. Lyn Fox and Examiner Edward G. Fraser starting at 10 a. m. in the Veterans' Memorial Building in Colfax. Then or at later hearing all interested parties may appear and be heard.

Controversy has developed, because of the construction of a freeway along the route of Highway 40, regarding bus turnouts. Some turnouts already have been built while others are pending.

Among the points at issue are the location of a turnout for Gold Run, whether some or all buses serving the area should turn off the freeway and stop at Colfax, and whether there should be a stop in the city of Rocklin instead of at the point on the freeway nearest Rocklin.

Engineers of the Public Utilities Commission staff will have an exhibit and they will present testimony in the proceeding. The State Division of Highways and Western Greyhound Lines also are expected to offer testimony, as will interested parties from cities along Highway 40.

Buying Trip— Mrs. Nace Firpo spent several days on a clothing buying trip in San Francisco for Cabona's Store.

Out of Hospital— Susan, daughter of Mr. and Mrs. Edvi Aro of Soda Springs was taken home from Tahoe Forest Hospital where she has been hospitalized with pneumonia.

Writes Friends— Mrs. Hannah Stewart, spending the winter at Reno has recently written local friends, apparently improved after a recent illness.

Ill At Marysville— Friends of Mrs. Nels Schull were sorry to learn that she is ill in the Rideout Hospital at Marysville.

A Bachelor of Science degree in Nautical Sciences is given to those who successfully complete the deck course of the California Maritime Academy.

The first five-cent nickel piece was minted in 1866; it actually contains three times as much copper as it does nickel.

WEST SHORE

(Continued from Page 7)

fect that if people had to shop and had children to consider, they should do so on Saturday, or when it isn't snowing, or when plowing out isn't necessary. Unfortunately, grocery, medical and other needs cannot be so aptly handled, snow or no snow. We anticipate the time when enough voters register here so weight will bear upon and change this arrogant attitude toward the taxpayers in this area. For several years it has been promised that a piece of plowing equipment would be left here, instead of having to send it around the north side when Emerald Bay is closed before the residents here can get plowed out. That long trip wastes man hours which, over the years could very well pay for a permanent piece of equipment. Several local men have offered to man the plow and house it. One resort owner has offered the use of his gas pump for such a piece of equipment to relieve the situation. One road man said last year to several residents here: "We try not to pay too much attention to gripes in the hopes that the residents will get discouraged and move out for the winter." Alas, the residents cannot adopt this attitude on their taxes.

With Parents— Mrs. Evelyn Ingram has arrived here to be with her parents, Mr. and Mrs. Leo Zander, while her husband, in the U. S. Air Force, is serving overseas.

Doctor Moves— Edwin O. Hendrickson, M. D. has moved his residence from Tahoe City to Truckee, lessening driving time to his clinic at Soda Springs.

SAFETY GROUP FOR TAHOE AREA PLAN

LAKE TAHOE—Formal organization of the Lake Tahoe Safety Council will be effected Friday, January 29, at a dinner meeting to be held at Harrah's Club, Stateline, Nevada.

Believed to be the first safety council to be organized on a regional basis, cutting across state lines and county boundaries, the Tahoe organization is another movement sponsored by the Lake Tahoe Area Council for the betterment of the entire lake basin.

Nominated for president of the Safety Council is Robert W. Fessler, resident and business man of Al Tahoe. Other nominees are Dr. Hillard Holmes, Brockway dentist, as vice president; and Doris Clark, Tahoe City, secretary.

Membership in the Lake Tahoe Safety Council will be open to all residents and business people of the entire lake area, regardless of state or county boundaries. A nominal fee of only \$1 for an individual membership has been established with a goal of 17,000 Lake Tahoe seasonal as well as permanent residents on the rolls.

Attendance at the "no host" dinner meeting is open to any interested residents and business people of the lake area.

TAHOE WEATHER

TAHOE CITY—There were 21 inches of snow on the ground at Tahoe City Monday following the storm last Wednesday and Thursday which brought seven inches of new powder. The temperature for the week ranged from a chilly low of 4 degrees on Saturday to a high of 37 on Sunday. The level of the lake was 6225 subject to revision, with seven gates partly open.

GREAT BOOKS CLUB MEETS JANUARY 27

The Great Books Discussion Group is now preparing their long-term assignment of the year—John Milton's Paradise Lost. This work, an epic poem, was written near the middle of the seventeenth century several years after Milton had lost his eyesight. It is the Biblical account of the temptation and fall of man. The larger theme includes the revolt of Satan and war in heaven, the creation of the world, the consequences of sin in human history, and the working out of God's plan for the redemption of mankind.

Bob Heuga will lead the discussion at the January 27 meeting to be held at the home of Mrs. Sybil Anderson in Lake Forest.

A Son For Millers—

Mr. and Mrs. Robert Miller of Truckee welcomed a son, January 10 at Reno, Nevada.

Anniversary—

Mr. and Mrs. G. E. Lewis Tuesday observed their 19th wedding anniversary with a dinner at Sacramento.

I'M SURE GLAD IT'S SO
SNOWY SO WE CAN EAT
OUR LUNCH AT SCHOOL.

ME, TOO—
WHAT DID
YOU
BRING FOR
LUNCH?

EGG
SALAD
SANDWICHES—
THEY'RE
OUR
FAVORITES.

I GOT SOME
DELICIOUS
SANDWICHES,
TOO—WANNA
TRADE?

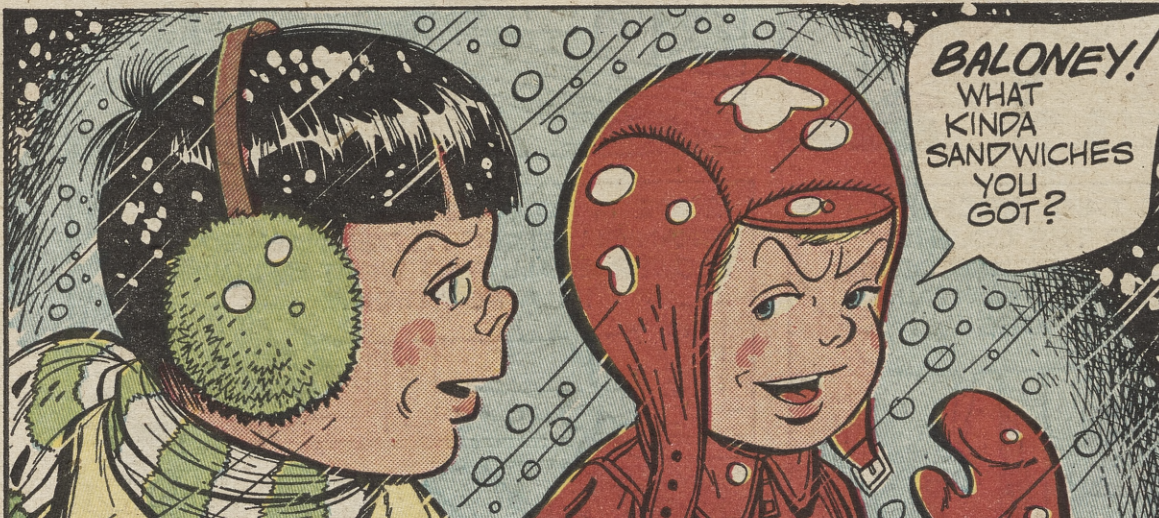

IF THEY'RE SO
DEELICIOUS,
WHY DO YOU
WANNA
TRADE?

BECAUSE YOU'RE
MY GOOD FRIENDS—
AND I LIKE TO BE
NICE TO YOU.

BALONEY!
WHAT
KINDA
SANDWICHES
YOU
GOT?

WELL—THEY'RE PEANUT
BUTTER—AND I REALLY
LIKE THEM —

ONLY THING IS, PEANUT BUTTER
ALWAYS STICKS TO THE ROOF OF
MY MOUTH.

THAT'S EASY TO FIX — JUST EAT IT
UPSIDE DOWN!
